

## **Series 2000: Bylaws**

### **2300 Board Member Conduct**

#### **2304 *Gifting***

##### **A. Gifts to Individual Board Members**

A Board member will not solicit or accept anything of value that may influence or reasonably be perceived to influence the manner in which a Board member performs official duties.

##### **B. Board Acceptance of Gifts**

1. The Board shall not accept a gift, donation, or contribution on the District's behalf in a manner or for a purpose that does not comply with Policy 3303.
2. The Board must publicly disclose a gift, donation, or contribution from any vendor or contractor that has submitted a bid in response to a request for proposals the District currently has under consideration.
